

CELEBRATE ACROSS THE GLOBE

The excitement of a major international city and often times national television exposure! It gets no better than a festival or parade performance! Build a trip around one of these exciting opportunities and explore all that city has to offer while showcasing your group to an audience of thousands. Let our experienced staff help you with coordinating your next trip including transportation, equipment moving and storage, accommodations, meals and attractions. We can customize performance opportunities to the needs of your group including concerts, clinics, guest conductors, guest speakers or international music festivals.
